**May Peace Prevail on Earth**

Reverend Baba Nazirmoreh (All Blessings and Respect Due) journeyed through India once again, this time accompanied by two of the Reverend's (ABRD) students and devotees throughout all existence: Dr. Nazirahk K. K. Amen, a Naturopathic Physician practicing in the Washington D. C./ Maryland area, who attended a medical conference in Mumbai, India — and Subhash Marwah, a retired banker/ renunciate of India.

**NOTE:** please see page 5 for letter written to help-supporter in New Orleans for more information concerning travels...

*"...for the consciousness expansion and further spiritual development of all existence..."*

We begin with views of the Reverend Baba (ABRD) at a Jain Temple nestled in the mountains of Idar Gujarod - and conclude these views of the journey (for as Reverend Nazirmoreh (ABRD) teaches one and all – “We are on an infinite journey...”) with pictures of some of the Reverend's (ABRD) students in the Washington D.C. area who came to greet and assist the Reverend (ABRD) on the Reverend's (ABRD) journey back to the monastery ashram in the United States. *Keep the view, more glimpses to follow...*

One day while Reverend Baba Swami Nazirmoreh (ABRD) was going into deep meditation at the mountaintop Jain Temple Ashram, a chipmonk attuned to Swamiji's being and proceeded to climb on top the Reverend's head and meditated in union with Baba Nazirmoreh. After the meditation, one of the heads of the Temple being very moved at this sight, informed the Reverend of the presence of the chipmonk and inquired of the Reverend as to this state. Reverend Nazirmoreh (ABRD) informed the temple keeper that the Reverend was aware of the chipmonk's presence and the union.

The Reverend (ABRD) also spent nights in deep meditation, under blankets of stars – surrounded by the mountainside’s beauty. However, due to the concerns of ashram attendants and visitors, several pleas were made to the Reverend to come up from meditations. Several came to the Reverend to speak with the Reverend concerning – the Reverend informing all that the Reverend had nothing to fear, had no fear, that nothing would harm the Reverend, the Reverend being attuned to all existence – in Truth – in Light – in Love. A letter (the original appears below) was written and delivered to Swamiji – which reads as follows: “In night here must be lion and another dangerous animal can come. So you please come up in Temple ground. Meditation is not in cave not in temple. but it is only in our Soul. It is natural. So you please come up. that way we feel relax.”.

After speaking with all who had come to speak with the Reverend concerning the matter, all were relieved – all understood. All returned to the temple grounds to view Nazirmoreh in meditation from that area, that dimension, that thought, that feeling. Next day, after night of meditation – after being concerned through observation — one in particular asking Baba Nazirmoreh what took place, what was the feeling, what Nazirmoreh felt, where had Nazirmoreh traveled. – Nazirmoreh informing her that she must be initiated into that information, or experience it herself – that it is only clear through self experience.

The Union.

We are One.

The Trustee of the temple invited Baba Nazirmoreh (ABRD) to journey to an ashram in the Himalayas with one who currently resided there and was presently on route to this dwelling. However, Nazirmoreh informed the Trustee that Nazirmoreh would first try to locate the Swami that Baba Nazirmoreh traveled with in India previously, who also dwelled in the Himalayas and had asked the Baba to come and dwell there... OM Hemant Shah  
16 May 2002

Have returned from the travels in India. The stay at the temple/ ashram dwelling was beautiful, thanks to Hemant Shah 's arrangements for Nazirmoreh to stay there . Nazirmoreh was well taken care of and provided for. Harivadan Brahumbhatt (manager) was a beautiful person and the crew, helpers, staff were all beautiful as well... They all did their work, their duties, took care of their responsibilities efficiently, precisely... with love, joy and happiness, devotion to that work. They all saw to it that Nazirmoreh would be most comfortable, with devotion. One stated that he would like to and looked forward to Nazirmoreh's return to the temple/ashram with Hemant Shah. Nazirmoreh stated that could possibly be – in truth, in light, in love. Mr. Ramesh Bhugushastri and his son Hemubhai in Mumbai, received and assisted Nazirmoreh and gave further directions and assistance that was helpful in Nazirmoreh's journey toward the temple.

(continued)

They also gave assistance financially equivalent to the sum of \$100.00 U.S. dollars in Indian currency – given by Hemubhai, which was most appreciated. However, Nazirmoreh did not use the funds and would like to return it through Hemant Shah. Would Hemant Shah see to these funds being returned to them? With Nazirmoreh’s much thanks... thank you very much Hemant Shah .

Love you very much.

In Truth, In Light, In Love

Reverend Baba Nazirmoreh

Yours in that truth, in that light, in that love

OM Hemant Shah

After Note: Did attend Kumbha Mela at Allahabad also during the travels.

*(Update: it was the Magh Masa in Allahbad that the Reverend (A.B.R.D.) attended, rather than a Kumbha Mela)*

Heard enclosed audio during Kumbha Mela. Located the distributor that Hemant Shah may hear also.

June 2002

These pictures were taken the day before and the day of departure from the temple. This was due to the doctor arriving with a camera at that time, from the medical conference which the doctor (a direct student of Nazirmoreh and member of Nahziryah Monastic Community) attended in Mumbai. The days before that were all beautiful. Beautiful meditations, visitations, questions, answers, conversations, invitations, with those and from those which Hemant Shah informed of Nazirmoreh being at the temple, at the ashram. Being invited to journey to the Himalayas to dwell within the dwelling of one brought to Nazirmoreh by the trustee; the son and family members of the builder of the temple. They invited Nazirmoreh to journey to the ashram at that time. Nazirmoreh informed them that Nazirmoreh would try to locate first the Swami that Nazirmoreh traveled with in India previously. The Swami having a dwelling in the Himalayas also – which Nazirmoreh was asked to come and stay, during the time of Nazirmoreh’s previous travels in India with him,... (Nazirmoreh being called back to America before journeying to the Himalayas)... and would like to continue the journey during this travel in India. Nazirmoreh located a devotee of the Swami living in Delhi, he being very much attuned to Nazirmoreh due to Nazirmoreh’s previous travels in India and stating that he had informed his family (his wife and his children) that he was preparing to contact Nazirmoreh, that he could come to Nazirmoreh in America and dwell within the ashram – Nahziryah Monastic Community, with Nazirmoreh. Being very much surprised – he and family, of Nazirmoreh calling him the very next day from his brother’s dwelling – which was *his* dwelling at one time, (at the time of Nazirmoreh’s last contact with him),... he and they being very much surprised that Nazirmoreh was in India the very next day... and being informed by the devotee, that the Swami had taken his life shortly after or during the last Maha Kumbha Mela or approximately two years ago. Nazirmoreh having been scheduled to attend that Kumbha Mela, however being distracted by other Community concerns to be taken care of. After being informed – Nazirmoreh continued Nazirmoreh’s travels through India with that devotee who asked if he could travel with Nazirmoreh, he being a retired banker or one who had worked at a bank in various communication positions and financial offerings or approvals of those seeking financial assistance from the bank for various on-the-land projects, materials and equipment. This was part of his service at the time, he being a very spiritually orientated being, had transcended that degree of service and seeking to serve and assist in a more spiritual way in the further consciousness expansion and spiritual development and well-being of all beings throughout all existence. So we traveled on, with Nazirmoreh beginning another phase of

Nazirmoreh's travels. Nazirmoreh feeling much pain – having not been in India to see, speak with and communicate with the Swami before his departure. However, knowing that his departure was of his knowing, his choice and that he will be travelling in other planes, other worlds of existence, of knowing, of dimensions, of ascensions, of attainments during his further experiential journey. Nazirmoreh directing the devotee that America was not the place for him, that his work, his service should be in India at this time, that we could continue to communicate, that Nazirmoreh would continue to instruct and direct and assist him in his work, in his service as well as travel to India periodically to assist in that service as well... He asking to be and becoming a direct student of Nazirmoreh and helper-supporter member of Nahziryah Monastic Community/ Nazir Order of the Purple Veil and all beings throughout all existence, in service, devotion, love.

*"...but we know beyond the body & the mind - and so we continue, because we know that it's not all happening out there - or what is considered 'out there'. The Purple Sadhu Swami : Reverend Sheikh Baba Nazirmoreh K. B. Kedem (left), and Beloved Fellow Traveler, Sadhu Swami , thru India and Beyond (right).

One day while bringing water up from a well in front of an ashram for travelling Sadhus – the above mentioned Swami walked to, and passed Nazirmoreh, into the ashram. Coming out of ashram, came to Nazirmoreh and asked if Nazirmoreh would travel with Him to His dwelling in the Himalayas – that He had been looking for Nazirmoreh this lifetime – that Nazirmoreh and He had traveled together in previous lifetimes – that Nazirmoreh and He were very close and that He had been searching for Nazirmoreh – that He and Nazirmoreh could continue the journey/ the travels. Nazirmoreh saying to the Swami – Yes, however the Kumbha Mela in Haridwar first. And we traveled on from that point, continuing the journey – stopping at various residences of the Swami's chelas/devotees, and sitting with them – giving darshan – the Swami and Nazirmoreh on route to Kumbha Mela and the Himalayas.

Previous to that, travelers would come to Nazirmoreh sitting in front of ashram, to sit with Nazirmoreh – and commune on higher levels of perception, Spiritual Union. Many gathered on route to Kumbha Mela and other areas throughout India.

*Swamiji Nazirmoreh (ABRD)*

Below... Reverend Swamiji sits in communication, in a temple grounds spiritual gathering area in Rishikesh at Traveni Ghat, with a transcendent ascetic (which some may call mentally imbalanced, insane, a mad man - - - which the Reverend (ABRD) does not. Beauty is in the eye of the beholder.) that the Reverend beckoned to come sit with the Reverend. This union opened the doors for spiritual seekers within the area to gather around and receive darshan from the Reverend Baba Nazirmoreh (ABRD) - completing the circle.

Subhash thought that Swamiji was unnecessarily interacting with an insane person. Swamiji related to Subhash that that was why the being needed to be interacted with. – that was the reason for Swamiji interacting with the being.

Love – Compassion - Knowing  
Truth, Light and Love

While on the banks of the Ganga at Har-Ki-Pauri temple grounds in Haridwar, Reverend Baba Nazirmoreh (ABRD), Dr. Nazirahk Amen and Subhash sat in observation/ contemplation – . There, priests, keepers of the temple, other holy men, lay people and other seekers of truth, dotted the banks to give and to receive. As had often occurred, crowds gathered around Swamiji Baba Nazirmoreh (ABRD), to ask and to receive darshan and initiation into the Spiritual Union through the placing of the purple cord – also asking for instructions and direction in spiritual matters. To Nazirahk Dr. Amen’s astonishment while viewing the scene, Dr. Amen recognized that it was predominately priests and other holy men who came forward to Swamiji Nazirmoreh (ABRD) to receive.

Hemant Shah and members of Community and Order (not shown) sit in meditation at the train station with Reverend Baba Nazirmoreh (ABRD).

These travels are but a small portion – or not a third or fraction of the Reverend's intended travels; the Reverend's Visa period being six months. However, due to Nazirahk – Dr. Amen's obtaining the tickets according to the doctor's time schedule, the travel time period was limited. Subhash as directed by Swamiji while in India, did all that Subhash could do in contacting the airline officials to get the Reverend's ticket schedule extended at whatever expense necessary, that the Baba and Subhash may continue the travels while Dr. Amen returned to Dr. Amen's practice/Dr. Amen's service in America (Washington D.C./Maryland area), while Reverend Baba Nazirmoreh (ABRD) and Subhash continued the journey. However, with all that Subhash did and was instructed to do he was not able to get an extension according to Swamiji's time/thoughts concerning the matter and the travels. There was one option; that the Reverend stay a lot longer than the Reverend intended on staying with the view of observations/of cancellations, without a time guarantee, after an extended period of time. So the Reverend had to return sooner than later, to return to India, to continue the travels, sooner than later. OM. We are on an infinite journey.

# Nahziryah Monastic Community Path of Mystic Enlightenment The Nazir Order of the Purple Veil

*Blessings and Thanks to our Spiritual Teacher, Founder and Director of Nahziryah Monastic Community –  
Reverend Nazirmoreh (ABRD)*

Many paths - One goal. Many names - ONE DIVINE CREATOR, Source of All That Is. Universal Consciousness. Highest Spiritual Evolution. Our Order is the Nazir Order of the Purple Veil. Purple is a color of the highest spiritual vibratory rate. This is the color of the age of enlightenment, the age of universal consciousness, the age which the world is now embarking on. Our beliefs, our way of life are founded in Truth. Truth which is beyond any one religion. Truth which is found in all religions. We align ourselves with That which Is.

What is our religion? - all of them. Where are we from? - everywhere. We strive to transcend all limitations. We offer you a glimpse of this truth... We are all from the same place, we are all from the same source. The Creator is our father and mother, the universe - cosmos is our home. We limit our consciousness and understanding when we do not take our birthright, as Beings of the Divine Essence of All That Is, Was and Ever Shall Be. Our consciousness narrows when we crystallize ourselves in the consciousness of being from a country, a state, a city, a street, a house, a spot and so on. *We are not these bodies.* We expand our consciousness and our understanding when we align with the higher Truths of Being.

In our quest for spiritual attainment, we harmonize the physical, mental and spiritual aspects of our being - to bring it into "at-one-ment". We live a simple, monastic, community life. We reside at our monastery; Nahziryah Monastic Community, Retreat for Meditation and Holistic Living, where we do organic gardening to help sustain the Community's dietary needs. We work hard, study, meditate and our diet is vegetarian-vegan (non-dairy). To support the Community and the effort toward consciousness expansion and further spiritual development throughout all existence, - in truth, in light, in love, wisdom, knowledge and understanding, (may peace prevail on earth as in heaven), we make and offer art crafts, as well as metaphysical/esoteric, spiritual literature of all faiths, recordings and meditation supplies. An initiate of the Nazir Order of the Purple Veil wears all purple monastic garments at all times, and all live-in members of Nahziryah Monastic Community; brothers and sisters, dress uniformly - according to like gender. You will find live-in members of Nahziryah Monastic Community and our Order very seldom travel alone, never engaging in frivolous talk. We are reclusive.

A true member of Nahziryah Monastic Community and the Nazir Order of the Purple Veil, will first, foremost and always proclaim Nazirmoreh (All Blessings and Respect Due) as his or her Spiritual Teacher and Guide. Nazirmoreh (A.B.R.D.) nurtures us in a spiritual and universal love for all beings; for all are fellow travelers on the spiritual journey. With an open heart and far reaching vision, Nazirmoreh (A.B.R.D.) guides the Nazir children of light onward and upward - to embrace the All in All. Who are *these* children of light? Those who would choose, those who hear the call and have come to give their All...BEHOLD THE ONE IN ALL.

In Truth, In Light, In Love  
Peace be with you

**MAY PEACE PREVAIL ON EARTH**

***"You get what you are, you get what you pay for. What you are is the plane of consciousness you're traveling on. You get according to your experiential need, related to your level of consciousness or degree of awareness. The pay is the effort you put into utilizing the information received that is conducive to your higher consciousness expansion and further spiritual development."***
